

Application Process for Practical Nursing

ON-GROUND PROGRAM (Begins first day of classes every May)

Qualification deadline – Last Friday of February at noon each year

To apply for the program, you should submit an electronic application at the TCAT McMinnville website www.tcatmcminnville.edu. In addition, all nursing applicants must complete The Allied Health [Application for Enrollment](#). The form is also available on-campus and can be downloaded from the Practical Nursing program page or Admissions page on the TCAT website.

The application for enrollment is incomplete until the following are provided:

- an official high school/GED transcript
- proof of MMR, Hepatitis B, and Varicella immunizations.
- complete prerequisite classes in Anatomy & Physiology and Dosage Calculations for Nursing (**or submit a transcript showing the candidate has passed Anatomy & Physiology I & II with a B average at a community college or university within the past 5 years**)

Applicants who are enrolled in prerequisite classes before the qualification deadline will be considered for the Nursing Program subject to passing grades and space availability.

All potential students are encouraged to complete a Free Application for Federal Student Aid (FAFSA). FAFSA is the form students use to apply for the federal Pell Grant (need based) and the state Wilder-Naifeh Technical Skills Grant during the one-year length of the Practical Nursing program. Students may also qualify for the Tennessee Promise or Tennessee Reconnect grants. Go to the website www.fafsa.gov to complete a FAFSA. **The prerequisite classes do not qualify for state or federal financial aid.**

On-campus prerequisite classes start every trimester: January, May, and September

Anatomy and Physiology

Summer Term – Beginning first Tuesday of May

Fall Term – Beginning first Tuesday of September

Spring Term- Beginning first Tuesday of January
